“ *Bud and Norma*
Just read of your mom's passing in the Herald and wanted you to know that we are thinking of you and sending you our sympathies. Heaven is where we all hope to gather again...a comforting thought during this hard time. Looking forward to seeing you this summer in Park Falls.

“ *We just heard that Gladys had passed away. She was a dear friend for many years beginning when she moved to Park Falls and I knew her from church, and even "babysat" once although Bud was probably old enough to be home alone. We used to see Gladys when Marv doctored at Iron Mt. but since he hasn't been going there any more we haven't had a chance to see her for a number of years.*

Our sympathy to the family. We live with the blessed hope of seeing Gladys again in Heaven.

“ *I remember Gladys from when she lived in Park Falls. I'm not sure what the connection was as I was just a child, but my parents/family (Ernie & Esther Gustafson) often picked her up to go to church. I also fondly remember visiting with her, especially when I'd stop at her house on my way home from school.*

It's pleasant to think that Mom & Dad can greet her in Heaven.
