“ I had the pleasure of knowing both Bob and Gloria since 1981. Both super people for sure. Such a wonderful example of a love story.... first thing I thought when I heard of Gloria's passing was, she and Bob are healthy, happy and together, finally. May the sweet memories of such a great lady, make your sad heart smile.... they were one of a kind, for sure. Thankfully for sharing them.....God bless those who feel this loss.
