

Gregory Lance Evensen

March 10, 1950 - January 27, 2018

Dr. Gregory Lance Evensen, 67, of Mastodon Township/Crystal Falls, went to his heavenly home on Saturday, January 27, 2018 at Florence Health Services.

Greg was born in DeKalb, IL on March 10, 1950 the son of Robert and Elizabeth "Betty" (Edwards) Evensen. Due to his father's Air Force career, the family moved to various locations. He attended Escanaba Public Schools, Appleton Schools, and graduated from Olathe, Kansas in 1968. He earned a Bachelor of Education degree from Baker University in 1972, and a Ph.D. degree in Criminal Justice from the International University Kansas City, Missouri and London, England in 1980, and a Master's degree in Educational Administration from Northern Michigan University in 1997.

Greg's varied career also included an appointment to the United States Secret Service as a Special Agent in 1974. He worked as a Kansas State Highway Patrol Trooper and was the last City Marshal in Chase, Kansas. He earned the highest medal for valor in Kansas history presented by Kansas Governor Bennett after a roadside rescue in 1975

Along with his law enforcement career, Greg worked in the field of education and administration. In 1978, he worked as an assistant professor at Mid-America Nazarene University in Olathe, Kansas, taught for both Northland

Pine Schools in Eagle River, WI and West Iron County School in Iron River, MI. He was an administrator for Wakefield Township Schools' Principal/Superintendent and an Assistant/Principal at Bates Elementary School. He retired in 2013 from West Iron County Schools. Some of his favorite events included: leading the West Iron marching band on the football field, the Iron River parades, and Memorial Day services.

Greg was an accomplished vocalist, who performed professionally in Europe and in sacred music concerts across America. His last professionally contracted appearance was with the Kansas City Symphony. He was involved in founding several U.S. Constitution Groups and believed deeply in freedom, individual rights, and the Second Amendment.

He married Yvonne Smith on Oct. 20, 1980 in Escanaba. She preceded him in death in 1999. Greg married Elizabeth Donalds on Dec. 30, 2000 at the Assembly of God Church in Kingsford.

In summing up his life, he recently said, "God has given me a wonderful life with many exceptional experiences. He has blessed me with some small talents that I tried to use for His glory. I never amounted to much, but my family certainly has. I have wonderful children that I am very proud of, and Jesus Christ was first in my life. That's what really mattered."

According to his wife Liz, "Greg, my dear husband & best friend has been welcomed to heaven. He has fought the good fight, completed his mission, and his work on earth is done. His legacy will live on in our hearts and minds, never to be forgotten."

Greg is survived by his wife Elizabeth, his children Benjamin Evensen of Eagle River, Jessica (Kristopher) Villarreal of Olathe, K, Rachael (William) Wagner of Rapid River, Nathan (Ashley) Anderson of Gladstone, and Jessica

(Brandon) Eden of Peshtigo, one brother Jeff (Marie) Evensen of Kimberly, WI, one sister Pamela Pray of Appleton, 10 grandchildren, and many nieces and nephews.

Greg was preceded in death by his wife Yvonne, his parents Robert and Betty, his sister Nancy Evensen, his step-father Ken Oskar, and his brother-in-law Jim Pray.

“ *It's such a sad thing for this earth to lose this man. Yes, he's with the Lord where he belongs, and yes, he enriched lives of those who'd never even met him in person, and yes, he will be deeply missed by many more people than y'all could know this side of heaven.*

He so graciously answered my call one night a few years back and had his precious Liz in the same room with him. We discussed what he was doing to help people in this country, and we of course discussed the Lord. He is a brother indeed - and Liz a sister in Christ.

Bless you, Liz, and family. I'm sorry for your loss, but I rejoice with you that Greg is rejoicing and is hurting no more!

“ *“God saw the road was getting rough,
The hills were hard to climb
He gently closed your loving eyes
And whispered, "Peace Be Thine."*

*The Golden gate stood open,
He saw you needed rest,
God's garden must be beautiful,
For He always picks the best.
Your life is a beautiful memory,
Your absence a silent grief.
You sleep in God's beautiful garden
In the sunshine of perfect peace."
Rest in peace Greg*

“ Although I never met Greg in person, he was one of those personalities that one could easily and immediately connect with. I very much enjoyed Greg's passion for Jesus when listening to him on HAWK. He always had great Intel to share and you always knew when he spoke you would really learn something of value. Praise God Almighty Greg lived to see Donald Trumps' 1st year fighting to bring America back from the abyss

“ Mr. E., as he was always known to me, was one of my favorite people to see each day when I was a student at West Iron County High School. I looked forward to band rehearsal. He told the best stories and always made us laugh. I have thought of him often over the years and found myself thinking about him just the other day, prior to finding out he passed away. He will always be someone I remember fondly. My thoughts and prayers go out to his family.

“ *After hearing Greg on the air with Steve Quayle and Hawk, we had the privilege to meet and spend time with this true disciple and man of God, and his sweet, loving wife Liz. How we will miss him! He always exhibited a true love for God. And despite in all his physical suffering and trials, his spirit remained positive as he worshipped and gave God all the praise and glory. To us he was down to earth and a cherished friend, and yet he seemed at times larger than life! Heaven is now his reward... Liz may you find comfort knowing how much he loved and cared for you.*
