“ I was just thinking about Harry today, and what a pleasure it use to be working with him at UBS Financial Services.

He is a person I will truly miss, as I'm sure alot of people do. I still have the picture from when my friend Jan and visited him in Florida. We had a very pleasant lunch.

Whenever I think of him, I will smile, since I know how he is, he is with our Lord in the heavens and probably hittin' on the angels! :)
