“ Dear Jeanne and Bill and family,

*I'm terribly saddened to hear that your mother has passed. I have so many fond memories of her and your dad over the years, and I can still picture the old house on River Avenue, as well as the one on the East Side. She was a charming, gracious lady, and she lived a long and blessed life. I know that my parents thought very highly of her, and Nancy will join me in expressing our family condolences and deepest sympathy.*

“ *My thoughts and prayers are with your family...I'm Alice King's son from Arizona. I enjoyed visiting with Helen and I know my mom will miss her dearly. We talked about the pizza dinners they shared often.*

“ *Jean...I was so sorry to read of your mother's passing. It's hard when that second parent goes..I know...my dad died in 2003. I have fond memories of your mom and sleepovers on East F Street! I can still remember your kitchen. She was a very classy lady. Please know that I am thinking of you. Jane*
