“ Dear Basil, Steve and Hope-Ann,
I am so very sorry to hear about your loss. Steve, I know what the loss of a Mother is like.....My Mother was my Rock! One thing My Mom would always tell me was, "When I am gone, please dont cry for me because my last breath on Earth will be my first breath in Heaven." I carry those words with me everyday and find comfort in them.
Basil, Thank you for the little chats we had when I was at your home. Your wife was a great Woman and you will be in my prayers at this difficult time.
Hope-Ann, I miss you and pray that your family will get through this difficult time.
You are all in my prayers and I will be thinking of you. God Bless you.

“ Basil, you have my profound sympathy in the loss of Helen. As you know, she sent me newspaper clippings of what was happening in the area of Las Vegas concerning veterans for years. That broadened my scope of veterans issues etc. I also knew your wife in the years I was a Kingsford Police Officer. She will be missed by many. I also brought up to her about her smiles and how sincere it always was....Steve
