“ I am sending my deepest sympathies, thoughts and prayers to you all. I am so extremely sorry to hear of Henry's passing. It was very upsetting news also for those of us who worked with Henry. I really miss him a lot--I really do. My days have been sad and I feel a big loss. I feel so honored to have known him and Irene and his children/grandchildren that I met. It is a sad time but please rememeber his spunk and spirit, his smile and laughter! He is still with you, in spirit, always! Take Care! I will try to make it to the memorial service. Love, Thoughts, Prayers and Sympathy, Michelle  
\*\*A special note to Irene: Hang in there. You are such a sweet lady. I think of you so often, I am sad for you but Henry would want you to be okay and take care of yourself. May God bless you with comfort, light, love and peace.
