

Henry A. Michaud

January 13, 1947 - September 1, 2024

Henry “Hank” Adam Michaud, 77, passed away peacefully on Sunday, September 1, 2024, at Florence Health Services in Florence, WI, after a courageous fifteen month battle with cancer.

He was born on January 13, 1947, in Iron Mountain, MI, to the late Earl and Mildred (Jackomino) Michaud. Hank was a lifelong resident of the area and was part of the Kingsford Class of 1966. He will forever be remembered for his remarkable personality and bright smile. He enjoyed water skiing, boating, fishing, fast cars and going to the race tracks to run the quarter mile. The bigger the horsepower the better the race.

In his later years, he enjoyed winters in Sarasota, FL, with his wife of forty-two years, Greta (Hedlund) Michaud. They enjoyed all the fun a retirement community had to offer, including cruises and traveling throughout the United States.

Michaud Trucking, Inc, the family business his parents started when he was a child, is where he spent his life working and growing it into the business it is today. Most days he could be found near his well-polished Peterbilt, black of course.

Hank’s legacy will live on in his 2 sons, Mark (Dana) Michaud and Michael

(Andrea) Michaud; grandsons, Adam (fiancé, Amber) Michaud, Brett (Elizabeth) and their children Mitchell and Carver Michaud, and Connor (special friend, Michaela) Michaud; step-children, David (Mary) Carlson, grandson Joshua and his three children, Danny (Sally) Carlson, granddaughter Camie Carlson, Dayna (Paul Tessier) Carlson, and grandson Evan Carlson. He also leaves a wealth of cherished friends and coworkers, many who faithfully visited him throughout his illness.

We are thankful that Hank reconnected with Ginny before he started his cancer journey and will be forever grateful for the time they spent together and all she did for him.

Along with his parents, Hank was preceded in death by his wife Greta, his sister Delores (Michaud) Adams, his maternal and paternal grandparents and many aunts and uncles.

A future private celebration of life is planned.

The family would like to thank Dr. Alay Mansurov and the Bellin Care Team in Marinette, WI. Dr. James Thomas, Professor of Medicine and Oncology at Froedtert Hospital in Milwaukee, WI. Dr. Yamil Kouri, Oncologist at the Cancer Center in Sarasota, FL.

The family would like to extend a special thank you to Florence Health Services for their devotion and care of Hank and his family during his final weeks with us.

Inurnment will be in Cemetery Park, Iron Mountain, MI.

“ I met Hank a year or two ago through friends in Florida and after an hour or so my only regret is, I didn't know him a Lifetime... He was a wonderful guy who attracted people to him... He positively loved his family and friends, and I'm so happy that I got to spend some time with him... I will truly miss him and think of him finally... Rest in peace Hank

“ *I was saddened to hear of Hank's passing. He was a good man who loved to drive. I remember he started driving that old jeep in the family's large driveway when he was about 12 or 13 years old. He drove around that driveway for hours on end until he was 16 and could get his license. His parents bought him a 1965 gold GTO and Hank was off to the races. When he became old enough, Hank started driving semi trucks for the family business and did so for the rest of his long career. Hank was a man who truly loved his profession. May God bless him.*

“ I am so sorry to hear of Hank’s passing. He was one of the “great ones” in my life. Starting from the very beginning. We grew up together (actually across the alley) and were always friends. I have many memories in life that include Hank, and even had the pleasure of working for him. He was a great guy to work for and we shared a passion for Peterbilt Trucks. I know he was proud of his family and the family business. My love and prayers go out to his family. Love You Henry, see you on the other side.
