“ My son Gabriel Mikulich just e-mailed me with the news of the passing on of my uncle "Hank". I am the son of Lud, Hanks older brother. My brother Greg is as big as Hank was. It was thought that Greg's size came from my mother's Swedish blood, but I always thought it had something to do with the Mikulich genes. I don't know if my mom knows as of yet, but I will call her and find out. Uncle Hank was without a doubt the coolest 'uncle'in the family as far as I was concerned. My condolences

“ Dear Pat and family,

I just read on the internet about Hank. He was such a good and pleasant man I will miss bumping into him. But now he is at his eternal rest and reward that we don't quite understand yet until we all meet again up there, out there, or wherever it may be. May your knowledge of his peace and your memories bring a smile to your faces often.

*Sincerely,
Mary L. Grabski*
