“ I have great memories as a child visting Hub and Lee's home, siting around the kitchen table, listening to Hub's stories and great sense of humor. I know my mother, Donna, a life long friend of Hub and Lee's, sends her love and best wishes. From our family to the Jauquets', we are sorry for your loss and we loved every minute we were with him while growing up. God Bless

“ To Hub's family:
We want to extend our sympathies of the loss of your dad. We are not able to attend the funeral celebration, however our thoughts and prayers are with your families at this time.
My fondest recollection is when Hub would hitch up the horse and sleigh with the tobaggan behind and pull us through the snowy streets in Channing in the evening. We loved hitting the snowbanks and trying to stay on the tobaggon. It was great fun!
Again, our sincere sympathies.

“ To The Jauquet Family,

I am saddened to hear of Hub's passing. I have many wonderful memories of Hub ~stories around the kitchen table, Lee and my mom (Donna) bugging Hub or being bugged by him and always hearing a hearty laugh from all. He had a quick wit I admired. Strongest handshake and hugs too! My family will cherish the memories of the times we spent together. Our thoughts and prayers are with you all.

*Warm regards,
Beth (Donna's daughter)*
