“ holly has brought a great deal of simple joy to my life over the 36 years I've known her. There are no words to express the grief we all feel in losing her to God's will, but I can say that my life is enriched because I know her. My heart aches from her departure from this world because I love her. My life will forever be changed without her in it. I will yearn; to hear her beautiful, hearty, heartfelt laughter, see her smile, listen to her last adventure with Sabre, and feel the warmth of her hugs when we'd go our seperate ways. The world has lost a genuine ground angel...I imagine she earned her wings for heaven so that' why God took her home. He needed her there more than here I suppose. I will miss my dear, dear friend all the days of my life. God Bless all of the family and I pray you find some comfort in knowing that Holly knew and trusted God in everything. She had great faith. “ My deepest sympathy for the loss of Holly. We went to school together and hung around and she was a very good friend. We went our seperate ways as we grew up but she will always be remembered for her laugh and friendship.
