“ I'm so sorry I was out of town when I learned I would miss Aunt Ihone's funeral. Would like to express my sympathy to all of her family.

I have many happy memories of going to Lake Antoine with Aunt Ihone and Uncle Londo's family and ours, and how she would always make my favorite desert whenever I visited. She was such a dear sweet person with such a big heart, the world needs more people like her.

“ Grandma brought so much happiness to our lives. She always had a smile on her face, and joy in her heart.

Some of my happiest memories growing up were our family visits to see Grandma in Iron Mountain. The backyard summer cookouts, followed by the 4th of July Parade; the picnics at Lake Antoine; the 20 lb. Thanksgiving Day turkey that she always cooked for us; and of course, the most magical time....Christmas at Grandmas!! It truly was the happiest time of the year, because we were able to spend it with Grandma!!

It was Grandma who was the centerpiece of these happiest of childhood memories! And her unwavering strength, spirit, generosity and kindness also blessed us for many years beyond.

This week, we celebrate a wonderful person and her incredibly special life.

Grandma, we will miss you very much.

*Love,
Donnie*
