“ *Just a note to let you know that I am thinking of all of you!! So, sorry for your loss. I used the red flower icon because it reminded me of the red poppys that she passed out at 4th of July and I remember that red was always her favorite color. I remember spending many years at Lake Antoine for the parade and 4th of July picnics. She was quite a character and it was a pleasure to know her!! The memories can never be taken away.*
