“ Dear, family of Irene. I am so sorry to hear of your loss she was a special person to everyone around her. I enjoyed the time that i had to get to know her as person. I would be walking through Walmart with my nephew Daniel and we would just stop and talk to her and catch up on what had been going on since the last time we talked, I know that she is in a better place. She will be missed by a lot of people especially her family also her boyfriend Gerald Alm whom i've been friends with since high school and her co workers at Walmart. Again I am sorry to hear of your loss and my prayer's of sympathy go out to her family in this time of loss. She will be greatly missed.

“ My name is Rose and I used to work with Irene, but I quit and didn't see her as often. When I did work with her I enjoyed her ranting and raving she made it funny yet serious. She spoke her mind yet had a good heart. I was blessed to have corresponded with her just the week before. She will be missed when I go visit the work place. My name is Frank, and I had the pleasure of knowing Irene for almost 5 yrs. The thing I admired most about her was her honesty. She always spoke her mind, and I respect that. I'm sure now that she's in Heaven, God is also getting an earfull.{ha ha}. Irene; you will be deeply missed and never forgotten.

“ Dear Dad. I am so sorry to learn of your loss. I can't imagine what is going through your mind. I do know that you and Irene had a good life together and i know you will miss her very much. I didn;t have a chance to get to know her very well. I know that the time i did get to know her was at walmart we would chat for a few ask about my dad. I will miss the converstaions i had with her and also calling the house early in the morning looking for my dad and her being grouchy at me cause i woke her up. My prayer's go out to my dad and Campbell Family in your time of loss.

“ I want to express my condolences to those that have lost a wonderful significant other, mother, grandmother, and friend. I have only met Irene once, but she was an extremely important person to Bill. March 9th will always be marked as a horrible day, but lets keep her alive in our hearts and mind by spreading our memories of her.

Irene, please continue to watch over and guide all of us through thick and thin. Thank you.

“ *Bill has lost a very special person. Not only his sister but his friend. He misses her dearly. They would talk to each other about 4 or 5 times a week. Sometimes for just minutes but mostly for a long while. Whether they were talking or arguing (thats just what they did) they always ended the phone call by saying I love ya to each other. Melissa and Jason, I'm so sorry for the loss of your mom. I wish you strength to get through this. Jerry, I'm so sorry for your loss. There are no words to say what your feeling. If we can ever help you in any way or just to talk, call us any time. I love you all*

“ *Dad and Irenes family. Just wanted to say sorry to hear about the passing of Irene. I don't really have many specific memories with her but I have known her for years as her and my Dad have been together for the past several years. I remember going to their houses when they lived in various places, Caspian, Cecil, Kingsford etc... I never really got to know Irene on a personal level just from her being my Dad's girlfriend. I do know her family was a number one priority in her life and she was always about them. she loved them with her whole heart. I will miss always calling her and my Dad's house to get a hold of my Dad and her answering the phone and us talking a short period of time about what's been going on... I pray for you all to have strength to get you all thru this difficult time. love you all*
