“ I am Bob and Arlene's (Beauchamp) daughter. I remember Honore from up at the cottage in Channing and family get togethers. I am sorry to hear of Honore's passing. I actually came on the website to get some information about my dad and came across his name. I know that he and my mom and dad are probably celebrating together in heaven. Know that you are in my thoughts and prayers.

“ Fond memories, prayers and thoughts go out to all of my cousins in
the loss of your dad. Uncle Honore made me laugh always. He had
that great wit and was always upbeat. Uncle Manny loved having
him around. I have visions yet of him pushing my dad in the
wheelchair through ShopKo in those years when Manny could no
longer walk. Thanks for bringing that joy to my dad Uncle Honore.
They are together again.

“ Scott, Randy, and Judy,

I'm very sorry for your loss. My memories of Honore are very special to me.

My first ever sleep-over was at Honore and Shirley's house. I was welcomed and made comfortable of course. I'll never forget how Honore would joke with me, make me laugh, show us how he could make his "muscles dance", take us for rides in the dune buggy, and just spend time with Scott and me. I learned a lot about work and responsibility from Honore too. That wood wasn't going to pile itself.

I feel very fortunate to have had Honore in my life.
