“ I am very sorry to hear of Jimmy's death. Jimmy was my father best friend and he was very close to our entire family. I can remember the times when I was very young and he would pick me up and take me with him while he was checking his traps. Once we were done with the traps, we would go to our camp and ride the Polaris trail tractor. These were some of the best times of my life. I also remember when he played Santa and the impact it had on me. He was a very special person and was allways willing to lend a helping hand and he will be sadly missed. I will not be able to attend the funeral, but I wanted you to know that your family is in our thoughts and prayers.
