“ We are so sorry for your loss, God Bless Jimmy, Paul and Jason! And wish the best for his wife Evelyn. Jim was always a good cousin and friend. We have so many memories of sharing family times and always laughter. As our children grew up together we had many parties and family reunions with the Forals and Monforts families. We moved to California in 1984 and did not connect with Jim again. Jim was always a great supportive friend. I wish we could have made more of an effort to connect and keep in touch. We will miss him so much! This is a good lesson to always keep connected to the people we love.
