“ *To Jan's Family: With great sadness I extend to all of you my most sincere condolences. I knew Jan for many years at DCHS. She performed a very difficult job and yet was always a very gracious lady willing to help in any way she could. Her years of battling cancer delt her one set back after another. Jan was always an inspiration to everyone and fought with everything she had. No more need for her to fight!! Jan has entered her eternal life and is enjoying the presence of Our Lord and God! I pray for peace and comfort in your hearts. Remember her as a feisty lady who has well earned her stripes. God bless, Christine Burns*

My heart is heavy knowing that Jan has passed. Why are the good ones taken from us? I worked with Jan for 12 years and will always remember her happy go lucky self. Always nice even when she was mad at her computer and I was trying to help her so she could make the whole staff at DCHS happy by giving them their pay. I also was lucky enough to enjoy a wonderful lunch with Jan and fellow activities committee members shortly after she retired from DCHS. Jan brightened up any room that she entered...and I know she will be brightening up Heaven now...God Bless you and your family...
