“ *Jane had a special place in my heart and our family, it started out as cleaning her house every other week and turned into enjoying her company and adopting her into our family. She brought memories of my grandmother which had died when I was 10. When I moved to Green Bay my mother took over the cleaning so I was still able to keep in contact with her through my parents. I think as time went on my parents and Jane became good friends. I do remember her husband also, he was still alive when I first met Jane. Sorry to hear of your loss, I know she is in the arms of God and at peace now. You and your families are in my prayers, God Bless.*
