“ *My deepest sympathy to Janice's family. I have many memories of Janice. She was our neighbor growing up in Norway, we went to school together, slept out in tents all summer long, and had many shopping trips to Green Bay, WI which were the best times of our childhood. She was a hoot to be around. We also belonged to Jake Menegini's Speedskating Club and has so many memories of it also. She is at peace now and with her passing family. I will never forget her!*
