“ *A lifetime of memories are fondly held in my heart. I feel the touch of your hand in mine, I see your smile every morning before starting my day, I marvel at your beautiful blue eyes and how the twinkle never left them until they were finally closed in internal rest. I have learned so many life lessons from you and with you. Your kindness, gentleness and wonderful moral attitude will be part of my life forever. Your memories will fill my everyday until we can be together again and reminisce over a game a Yatzee. So much love to you mom. I miss you.*
