“ Auntie Janice...you may have left us, but we will retain the fond memories that we experienced with you. The times you took us kids to Dandelion Park just because, the parties at the house in Greenfield, all the Christmas' get togethers at Nani and Bobbys (who else remembers these names?), your love for your Vega and Cutlass...and all your support for Mom in her time of need. Thank you for these fond memories, and the many others. We will miss you, and hope you have found peace. Tell Mom, Nani, Bobbi, and Uncle John that I said hi. Keep a close eye on Uncle Dave...keep him safe and let him know your watching over him.

“ Dear David, Jayne and (David White),
Just wanted to let you know, we are thinking and praying for
all of you at this sad time.
Sometimes we just don't understand why, before we are to leave
this world
one has to go through such suffering but we, after all is said and
done know
the pain and agony she went through here on earth is over and she
is finally
at peace and is sharing that wonderful space next to the other loved
ones who have gone before her. David you did everything for her to
try to keep her comfortable, your unconditional love was so precious
to her and now she is watching over you ..take care and God bless.
Jayne, Janice is also going to keep an eye on you because no
matter what, you were there for her..she knew that and loved you
for it.
If there's anything we can do for you please don't hesitate to ask.
God Bless and keep you....

Sincerely
Bob and Cathy Derricks

“ Dear Auntie Janice:
I am sad that you have left us. Thank you for being in my life and for
all the things you did to remember me, as a kid, and an adult. I will
remember your laughter, the spirit you always had, and the special
relationship you had with mom. Peace is yours now and you will be
missed. I will be keeping Uncle Dave and Auntie Jayne in my
thoughts and prayers. May you rest in peace.

“ *Janice, we are going to miss you, but are relieved that the suffering of the past months is over and you are pain free and at peace. We will miss your feistiness and stubborn will! I hope you and John and Joanne and Ma & Dad will all keep watch over me. Love you.*
