

Jason Lee Bettiga

July 21, 1967 - September 15, 2020

Jas Bettiga finished his journey on planet Earth on Sept. 15, 2020, and moved on to his next adventure.

Born July 21, 1967 in Iron Mountain, he left this world surrounded by his very loving and dysfunctional family and friends while listening to Pink Floyd's "Comfortably Numb."

Jas was a welder/fabricator by trade, working for various local businesses. He owned and operated JB Enterprises.

He loved to camp, hike and fish through the mountains of California with his parents and brother, Josh, while living in San Diego County. He enjoyed camping and exploring in the deserts of the Southwest, especially Moab, Utah. He relocated back to the U.P. and loved all the outdoor experiences it had to offer. Jas was an avid Packer fan.

He leaves behind his parents, Gretchen Unrein and Terry (Tina) Unrein; his loving lady, Tammy Pease and daughters, Skylar and Sabrina; his sons, Seth Unrein, Kota and Tanner Bettiga; brothers, Josh Unrein (Misty Nicols), Jed Unrein (Sabrina Butterfield); sister, Carly Zollinger; his niece, Takarra Unrein (Jon Martin) and their son, 'Lil Dude (Zayden); nephews, Harley and Darian Unrein. He also leaves behind his Pals, Jimmy Gaskins, Tim Skowronski,

Ronnie Hesse, Neil Pedrys and Marvin “The Martian” Perdue.

He was preceded in death by his grandparents, Harry and Kathryn Bottger, Jack and Mary Bettiga, and Margaret Tanner; and his mother’s lifelong companion, Terry Faull.

A private celebration of a well-lived life will be held.

PS

Gretch, Terry and Family, I'm so sorry to hear about Jas. I was unaware that he was sick. He definitely lived a full life, a lot more than some people at such a young age. He was blessed to have had you all with him. I'm sure he felt the love of family all around him. My thoughts and prayers are with you all. God Bless. Love Peg.

Gretchen & Terry...Blessings on your whole family at this loss. He had such a large, young family to leave behind! Lit a candle too.
