“ Lynn... We're sorry that this message comes to you so late. But, most of all, we are very sorry to hear about Jay. He was always a bright spot in our lives. Upbeat and smiling is how we will remember him. He (as we were) was an honored member of the original "Spread Eagle Loop Troop", back in Spera's hay day. (circa: early 1980's) We always had alot of fun and Jay was a central part of that! I used to see him often when I was working at True Value. We will miss him...alot. Our most sincere condolences to you and your's. John & Jane

“ Lynn and family, I wanted to express my deepest sympathy to you all and our prayers are with you now and for the journey you all have ahead.

*Jay was a great guy! I will never forget being the new city girl sleeping out in a tent in your yard. I awoke to the scariest noise in the world. Rushing in the house I rambled off to Jay my worries thinking that some big animal was gonna get me! Jay thought it was hysterical because I was afraid of a young rooster that couldnt cock a doodle do yet!!:) OK everyone laughed even me!*

*We had great times at the ball field! Jay was great at keeping it fun and we had some great ball parties huh?!?!!*

*Your family has always been in my heart and now my prayers are for peace for you all. Love and hugs now and always.... Adrienne, Nathan, and Stephanie*
