“ I am so sorry to hear of Aunt Jean's passing. I'm no longer at the Kingsford Evergreen, was out of town last weekend, and just found out today. I am so very sorry for your loss, thinking of you all and agree with Aunt Carole, memories of the years when all the brothers and sisters would get together..the music, the laughter are amazing. My thoughts and prayers to all of you, God Bless!

“ Dear Wonderful Beyer Family, April 13, 2013

Hello Friends, I can remember visiting with you all when I was growing up right across the alley from you, we lived next door to the Gerings. Also remember coming over an chatting with an walking Duke, being that we never owned a four legged furry one, until I got married, then moved to the country. Your Mom-Jean, was my life saver, when my Mom was going through Cancer. It is definitely true, those early influences in ones life, called Neighbors, can and have been, very Inspirational. Thank You Everyone, for Sharing Jean, with us Neighbors and Church goers.....loved the OWLS explanation, how clever. The Neighborhood up in Heaven is growing, the Friendships on Earth are together again.....we will keep you in our prayers. The Kitslaar Family

“ Aunt Jean was a very special person. Always so kind and caring. When my best friend Karen and I were in Nurses training she often had us over for meals. Growing up our families had so many great times together. Laughing and singing with Aunt Jean, Uncle Jim, the boys, and all of us Andersons'. Dad played the piano and organ which made it even better! Although she met many trials with health issues in later years, she always had that sweet smile for everyone she greeted. RIP Aunt Jean.... You will be missed... Love, Carole
