“ Dear Family of Jean Conte,
I just loved your Mother. We agreed on so many things. She was a great Mom, friend and co worker. I admired her honesty. I will miss her. I am sorry I could not be there for the funeral.

Sincerely, Norma Deyaert

“ My condolences to your family. After our dad passed, your parents were so good to our mother, always keeping tabs on her. They were sincerely good people and I will miss being able to stop in and see them when I get to town.

“ I want to extend my sincerest sympathy to you all. I have so many good memories of "Mrs. Conte" and our days growing up together on west "B" Street. Your mother was a God send to my mother especially after we lost our father. She was a shoulder to cry on and a ear to listen. Her laugh was contagious and her heart bigger than any I knew. May God be with you all.
