“ *My thoughts and prayers to the family. I visited with Jean this summer and we had a nice time talking about family and memories. Jean is 11 years older than me so was never close to her but when cousins got together when we were all younger and at family reunions i always enjoyed catching up about family. I don't drive distances at night anymore so I don't think I will be at the funeral but will be thinking of the family.. Hugs, Barbara Walk Smith (daughter of Ed Walk)*

Thoughts and prayers to the family. I always enjoyed my visits with Jean at the Walk family reunions. Jean always said we were sisters and then we would laugh. I also remember the times they would come to Marquette and visit my parents and when Lynn was going to NMU. I won't be able to be at the funeral but my thoughts and prayers will be with the family. Love to all. Beverly Walk Peters (daughter of Ervin Walk)
