“ I remember Jean as far back as the old First Lutheran Church where the Library is now. Jean's mother and father were good friends of my parents. We made many trips to the grocery store on the north side and I remember that like yesterday.

Jean never forgot my parents and she was very kind to me and my father when he was in Manor Care. I will forever remember Jean as a kind and a very caring Christian woman. God bless

“ My sincere and deep sympathy along with my prayers to Jean's family, her neices, cousins, and good friend Alyce, along with her church family of First Lutheran Church in Iron Mountain, MI. She and her brother Ted did so much to improve the life and musical ministry of First Lutheran. My remembrances of the gifts they shared, along with playing the piano and organ, was restoring the Pipe Organ which was originally a part of Augustana College in Rockford , IL, She was also instumental in the Carillon Bell and the Handbells purchased for the use of the Bell Choir at First Lutheran. In her younger years Jean was also a leader in the youth group called the Luther League. Jean is now at Peace with her Heavenly family in her new home already prepared for her.

“ I admired Jean for her strength of character and her faith. Jean could always be seen traveling the halls of First Ev. Lutheran Church on her way to play the organ or the piano for church services. I remember her playing the piano in Luther Hall for the Mother’s Day dinners and other functions as she enjoyed music and sharing her talent with others. Jean was a large part of my “Church family” from the time I was very little she was always there. The memories that I have of her will keep her alive in my heart and my mind as a part of her influenced my life. There is one more star in the heavenly skies. My sincere condolences.
