“ So sorry for your loss but I understand Aunt Jean was in a great deal of pain so maybe it was a blessing for her.

“ Sorry to hear about Aunt Jean's passing. Thanks to Anita for letting us know. She was the last of a large family. I have memories of visiting when I was a young child and that was a long time ago. Although we did not see her in many years my wife would send cards and keep in touch when she was living in Iron Mountain. Sounds like she has many nieces and nephews. I can remember some of my cousins as a boy but not sure how many are still alive. Thanks again.

She was a joyful and willing spirit. Her caretakers during the last 5 years of her life spoke warmly of her which is a testament in itself. I will truly miss her as a part of my life. Niece Anita Wender
