“ Melissa, Calvin, Mark and Matt, Our sympathies to all. Growing up  
in Cornell there are many memories of your mom. I especially  
remember her immediate response of yes of course to my mom. My  
brother was at Northern and ended up in the hospital with  
appendicitis and it was 7 at night. Your mom took me in for the night  
and I caught the bus to school along with Melissa and Calvin in the  
morning. Her generosity and involvement was much appreciated. A  
wonderful Christian example. Sharon Ellisor

“ Dear Cal and Family...I am so sorry for the loss of your Mom (Jean).  
She was such a lovely lady...I enjoyed meeting her...and hearing  
about her wonderful life and the stories. May she, like my Mom, rest  
in peace, while all of you heal then rejoice on this earth while Jean  
smiles down on you proudly and communes with family, friends and  
Jesus in heaven. <3

“ Jean was one in a million. Her wit, humor and a gleam in her eye kept you thinking. It was evident in her walk with the Lord, that she walked the walk. Jean’s actions and dedication to her Christian work was visible. Even though Jean’s picture and accomplishments may not make the front page of the local paper or be announced on the World News, she made an impression and reached out far to positively affect more people than we realize. I feel privileged to having Jean in my life. We miss you now but those that have given their hearts to the Lord will be reunited with Jean one day in heaven beside Christ, Our Lord and Savior. When that time comes, I will stand in line waiting to give her a big hug and say “Hello” again.

“ Mark and family, we extend our sympathy. Jean was a wonderful woman. She cared about everyone and had such a big heart. I have fond memories of her working in the lunch room at Quinnesec School. She was so good to the students and all the staff.
