“ Dear Bill, Barbara, Lori and Bryan,

I just heard the sad news about Jean. My deepest condolences to your family, the Lodal family and her friends. I am Jean's step-cousin. We are connected via the Koeppel family.

Remembering Jean brings back so many great memories about our family's parents, gathering for sheephead card games. Jean was always so friendly to us and since she is 15 years my senior, she always treated us like our sister. I have always thought the Lodal Family was one of the kindest families I have had the honor to know, not to mention related to. I'm sure Jean was practicing her kindness in Iron Mountain as well!

*May Jean find peace.
God speed step-cousin Jean.*
