“ Please accept my sympathy in your loss of Jane. I was a young beginning teacher back in 1964 when Jane helped me as a mentor and friend. Based on the sixth graders I received from her fifth grade classes each year, my goal was to be as good a teacher as Jane was. The kids always commented on the fun they had learning in her class. Jane and I worked together for many years and I will always remember the kindness and support she gave. She was truly a great teacher.
