“ *The news of Jeanine's passing was very sad and I am very sorry for the loss for your family. Jeanine was a co-worker when I taught for IM Schools. She was such a positive person for all who entered the office. I will keep you all in my thoughts and prayers.*

“ We only had the chance to meet Mrs. Brouillette a few times, but each time we did, she treated us so very kindly. She was always very welcoming and carried herself with such grace; a true motherly figure. Her kids and grandchildren are so lucky to have had her in their lives, and we know she will continue to be a presence in their lives as a guardian angel. Our thoughts and prayers are with the Brouillette family. - Drew and Allyse

“ Jeanine was the secretary at Central Middle School when I was teaching. I was the "new kid on the block", and she helped me make the adjustment from elementary to middle school. She was so patient dealing with parents and students. She also had a great sense of humor. Jeanine was a great person! My thoughts and prayers are with the family.

“ *Jeanine is one of the strongest women I know. She selfishly gave her heart and soul no matter what the situation ~ always putting her children and grandchildren before everything else. The family knows the story of the first time I met both her and Brian. ;-)* It wasn't under the best circumstances but she kept her cool, took in the facts, got to the bottom of the issue and in a sweet yet firm voice, put the hammer down. I knew immediately we would get along perfectly :-)
Thankfully she instilled these same qualities to her children. Jeanine touched a lot of people and she forever will live in our hearts.

“ *My thoughts and prayers are with all of you. I didn't know her well, being the secretary at the school and Matt and my son Jason are friends, but she was always kind and upbeat. I hope you find peace at this very difficult time. God Bless!*
