“ So very sorry to see this about Jeanne. In our days at BR-H, we went to many school activities together for cheerleading, basketball games, and school dances. Our families did a lot of driving for us, and her dad, Lyle, was one of the good chauffeurs. My sympathies to sister Carolyn and Jeanne's entire family. Janice (Fisk) Barker

“ My sister Jean and I spoke everyday. She was my best friend. We went on many trips together to Vegas. Always fun. Family was always first with her and God. She never missed church unless she was sick. She was so loved by all. Love you Jean. No more pain and fighting this evil disease.
