“ Jeanette will always be remembered by me as one of the most kind and caring ladies I've ever known. My first memories of her when I was in 7th grade was I couldn't believe how happy and nice she was. Me and David would go over there and peel popple with Kevin and bale hay. Then there was trapping in the fall and winter. No matter what the event, Jeanette would always cook delicious treats and some traditional Finnish or Swedish meals. She always insisted we had seconds and she would say, " you boys need to eat good so you can grow big muscles like Kevin and Kenny." This is what I will always remember when I think of Jeanette. What a kind woman with a heart of gold. She will always have a special place in my heart. My deepest sympathy to all her family and friends. I 'm sure she is smiling down from above. God bless.

“ The Utah Schaut House sends the Anderson and Fredrickson families our deepest condolences. We are sorry for your loss. Jeannette was a great person and loved by many. I worked on the Anderson Farm during a couple of my High School years in the late 70's, Jeannette and Kenny always saw to it that Kevin and I had plenty of work to do and that we had plenty to eat... I'm grateful that they were part of my life. God Bless...
