“ I am so sorry to hear about jeff! He was such a sweet sweet man. I worked up at Hyland nursing home and he was sure to bring flowers to her ever chance he could. I remember giving him a hard time about the Lions! We could laugh and joke around about Green Bay and the Lions. Jeff's family you are all in my heart and prayers! God bless

“ I was shocked to read about Jeff's passing in the Daily News which I get here in Chicago. In the 13 years I worked at the Iron Mountain VA, Jeff was a good friend. We shared many breaks & played a few jokes on the gang including good friend Al Tobey. I saw him in Wal-Mart about 5 years ago & we spent a few minutes chatting. My deepest condolences to Linda & his children. He was definitely a special guy & I can't imagine how much he will be missed by everyone who knew him. My prayers are with his family.

“ To the family of Jeff, my condolences to you all. I will always remember Jeff as the smiling baseball pitcher and also as he visited our store very frequently with a smile. Jeff to me was one who always put a smile on others faces too as he did this for me. May you find peace remembering him as enjoying leaving everybody with his pleasant smile.

“ Linda, Adam and Kelly, we are so saddened for your loss of the nicest guy I ever met. We became friend's in 1972 when we moved across the street from you in Quinnesec. We had some great time's going to the river behind your house to do some fishing. We always managed to drown a few worm's and then to pay our respect, we had to down a couple of beer's. It always seemed that Jeff would catch the bullhead's and then flip his special coin to see who would remove it from the hook. And of course he won all the time!! It was a great pleasure of mine to work with him at the VA and play slowpitch with him.

I will never forget time when we were at Guard Camp at Grayling when Jeff, Ron Laduron and I had competed in a Softball tournament and we hit homerun's every time at bat and Jeff pitched a shutout. Iam very sorry that we can't be there for you, but we send our condolences from Florida. May God bless you.

“ My very sincere condolences to the family of Jeff Hayes. I was deeply saddened to read of his passing.

I was a KHS classmate of Jeff's and he, Pete Schlitt, and I were always hounding the Navy Recruiter to get us into the Navy pronto right upon graduation. When we didn't get in then, we kept trying during the summer and fall of 1966. Jeff beat us by a few months in getting to boot camp in San Diego in 1966, while Pete and I went in January of 1967. I recall Jeff stopping by our boot camp company to say hello to us and rib us at how much more time we had before we graduated. When we saw him then, he was in his graduation dress blues and looked great as a fresh young sailor.

I will always remember Jeff and as a friendly and fun person to be around. God bless him for his service to our country when many others failed to do their part. I thank him too for his years of service in the VA and for his membership in the American Legion.

Jeff, may you rest in peace shipmate, and I bid you fair winds and following seas. You will not be forgotten.

“ For any one who knew Jeff, they would know that he was the most devoted husband and father. His family meant the world to him. He was always with his family doing whatever a father and husband had to do to make them proud of him. And it did not end with his family. If any of you have attended a 4th of July parade in which Marquette General Home Health and Hospice was entered in, then you saw Jeff dressed up as "George Washington, Wyatt Earp or the greatest character, "Elvis". We spent hours and days creating the props for all of our floats and we had to thank Jeff over and over for all of his hard work and dedication for the great work he did for us. We will never forget you Jeff. You will be in our hearts for ever. The greatest gift that you left behind was your wonderful family, Linda, Adam and Kelly.

May the angels, with the blue and silver wings carry you throughout the heavens.

Your friend , Helga
