sister, Michelle. Jeff's mother was his greatest treasure. We will miss his compassion for others and his gentle soul.

Visitation will be from 4 p.m. to 7 p.m. on Wednesday at the Erickson-Rochon & Nash Funeral Home in Iron Mountain.

“ Dear Duane and Kathy. It was so nice talking to you and receiving the pictures of Jeff. He has not changed a bit from our years at Clintonville. I cannot express my heartfelt sympathy. He was taken well before his time. The pictures you sent were testimony of how well he was loved. Keep those memories in your heart and know he will always be with you. Call me anytime. You have my number. With love and prayers. Leisa Wells (Henn)

“ Dear Youren Family, Jeff will always be remembered as a guy that would do anything for his friends no matter how far he'd have to go out on a limb. Even after being away from the area for years, every time I'd come home and run into him, he'd have a smile and would just start chuckling the second he'd see me. You are all in my thoughts and prayers.

“ There are no words of comfort at a time like this. I knew Jeff for quite a long time and he will be missed by a lot of people. He was always fun to be around. Just another senseless loss adding more grief to such a small community. My heart goes out to his family, friends and Tina.

“ Words seem inadequate to express the sadness I feel for your family. Jeff was like a big brother to me many years ago when he was in Clintonville. He is very special to me, my brother and especially my sister. Those of us who know the true man he was, knows his heart was as big as his stature and that he cared deeply for his friends and family. I am proud to have called him my friend. I've shared some great times with him and when I think of them, they make me smile and often times laugh. Thank you for those memories, Jeff. My family and I will never forget you! Rest in peace, Brother...

“ Dear Geezer, Nancy, Cheryl and Michelle,

Many years have gone by and though many times we lose touch with those we were once very close with, we have never forgotten your family or how much you each meant to the two of us. It is with a very sad heart that Scott and I have learned of Jeff's terrible tragedy and his untimely death. Please know that your family is in our prayers. If at all possible we will try to be there. Our hearts go out to you.

“ Words cannot even express how sorry I am to hear about Jeff. I worked with him in the tradesmen group at the VA hospital in Iron Mountain. In the short time we've worked and known each other he did become a great friend. Jeff had a great sense of humor, there was never a dull moment while working with him. Jeff mentioned to me a few weeks back that he thought we were meant to meet and that there was a reason we came together, I agree, Jeff has touched my life in a way I will never forget. To our wonderful but yet to short memories we have together I will miss you but never forget you Jeff!

“ Jeff you will be deeply missed! Quite a shock to learn of him passing in this manner! I knew Jeff when we went to school in Clintonville, WI. He was the life of the party! Always had a smile on his face and a carefree attitude! Hadn't seen or talked to him in years but he was thought of when our reunion classmates would bring up Jeff stories! Quite comical, he was! Jeff... what really happened that day only you know. God Bless You Buddy! Shelby Dewhurst misses your "dumb ass"! That's not the way it should have ended!

“ Dear Youren Family:
Jeff was a very special man who had a heart of gold. I was blessed to have known him. He and I had talked about our faith in God on a number of occasions and knowing his faith, there is no doubt in my mind, that Jeff is at home with our Lord.

Jeff should always be remembered in a positive light. He was funny, caring and always kind to me and my family. He left a great impression on my children as all three of them thought Jeff was "cool". Jeff was cool and Jeff will be missed by myself and my entire family.

God Bless you all in this difficult time.

“ I'm blessed having known Jeff. For a time, he was like a brother to me and a good friend while we were house mates in Clintonville. One thing I could always guarantee is that moments with him were never dull. I hadn't seen him in about 18 years, but I was just talking about him a month ago.

People that knew him, know that he was a sensitive guy with a big heart. And, you didn't have to be around him long to know that. He will be missed.

To Jeff's family, I cannot fathom your loss, my thoughts and prayers are with you.

Godspeed in to the next life Jeff.

“ I can't even think of anything that could possibly comfort any of you at this time. All I can say is I loved Jeff with all my heart. He was a true friend to me for 30 years and I will always hold him close to my heart. The loss and pain from his death will take a toll on many. Anyone who really knew him knew he was just a gentle giant with a fabulous sense of humor. It hurts so much that I can never see him smile or laugh again. I will miss him so much more than I can ever express.
