“ Karen and family,

Cheryl and I hereby offer you and your family our support and strength through this difficult time. Having had the opportunity to sit with Jeff on the Reentry House - Community Substance Abuse Board was an honor. With a warm feeling, I especially remember all of the Christmas parties, and Jeff's devotion to making Christmas the wonderful time that it was.

“*Karen, We're so sorry to hear about Jeff. He was always such a jovial person and a good friend. It was a pleasure to call on him in years past. As Char is typing this, I have in my hand a copy of "The Niagara Journal & Franklin's Stove" from November 7, 1973. It brings back so many memories of Jeff and what you two represented.*

Know that we are with you in spirit even though we cannot be there in person for the Mass at St. Anthony Church. I will tell Pete Heid about this, too.

*Our prayers are with you and your family. May God, your family & friends give you strength at this difficult time.
With fond memories, Fred & Char Steenis*
