“ I miss you, everyday I sit and wait for a text or a call from you. I even think I hear you in the quiet wind.. I see your face every time I look in the mirror.. I can't help but be angry because we know the truth.. I just can't believe you are truly gone.. it has been almost two years and it doesn't seem real. I hope you have everything you ever wanted up there.. keep me safe.. Watch over Ayden and protect him as you used to do with me.. I love you sissy..

“ I love you my beautiful sister, I will remember your smile, cherish your hugs and wait until I can see you at the gates of heaven. You will watch over us and shine down with your holy light. You will take care of your nephew when you think I am not doing it right. You will walk along beside me on the road to recovery, you will help me to heal from this and you will help me lead. You will be my big protector and you will keep me safe from harm. I just wish you were here to see your baby nephews charm. He kisses you every day, and screams when he does not get his way. He misses you big sister as we all do, I hope you have saved us room. I shall see you some day my sister you bet the good lordy, I love you my big sister... Sincerely your Shorty.

“ To all of Jenna's Family,

It was a privilege to have had Jenna in my class in sixth grade. She was a bright and articulate young lady. I truly enjoyed her and can't begin to imagine the loss to your family. You have my deepest sympathy and prayers that God will see you through and wrap you in His arms of love.
