“ Dear Christie and the extended Pierce and Walters family members,

I only recently learned, to my shock and sorrow, that Jerry has passed. I haven't seen any of you for several years, but that doesn't diminish my memories of him from the past. He was first and foremost one of the nicest people I've had the pleasure and good luck to meet. Please accept my deepest sympathy.

“ You are all continually in my prayers. I wish I could be there with you. I will come and spend some time with you after everything settles down. My heart aches for you, but at the same time I am so grateful that all of you and Jerry have been in my life. I love all of you dearly. Jerry never met a stranger. Every one he knew became a friend and many of us were lucky enough to become part of your family as well. The blessings are too numerous to count...Jerry had the opportunity to be where he wanted to be and to be with the people he loved most for the last year. He was the happiest man I have ever known. He took so much pride in all of you. The reponse from the dealers here has been nothing short of remarkable. Jerry was loved and respected by everyone. You are his legacy and Jerry will continue to have a presence in this life through you. He will always watch over you and protect you. The rest of us will be here for you and continue to lift your family in prayer. Jerry set an example for us all. He loved his life and he lived it fully. We must honor him and do our best to live the same way. Take care of yourselves and each other.

With much love,
Deb Livingston

“ Christy & Family,

Veronica and I send our condolences to you and your family. We are very sorry to here about Jerry's unfortunate departure but we know he is in a wonderful place. I know he really loved Tyler (Austin was not born when we worked together in Albuquerque) because all he talked about on our joint sales call was what you all had planned with Tyler, etc. We know you all will greatly miss Jerry as he was a wonderful, caring, and big-hearted person. Again, we are sorry about your loss and our prayers are with you and your family.

Best wishes,

“ Though it has been a long while since seeing each other, I think of you all often and am sending my hopeful and healing energy your way. Jerry was a wonderful influence in my life as I was growing up with the balloon crew. He taught me that being silly is one of the best ways to spend your time. I am ever-thankful to have known him and will grieve his passing. Your family has always been strong and supportive of those around you and I wish for you to feel some of that same love surrounding you now.

“ To All Of Jerry's Loved Ones ... please know how deeply saddened I am over his passing. Even though the years and the miles physically separated us, except for a class reunion now and then, it's important to me that you know that to this day I consider Jerry to be one of my true best lifetime friends. We shared a special childhood bond that never escaped from me during the past 40 years. I will cherish it always. I hope that I meant as much to Jerry Pierce as he meant to me. He was special. God Bless.

“ Dear Cristy, Heidi, Ryan and Family,
You are in our thoughts and prayers...Jerry truly had a zest for life; we remember his willingness to lend a hand whenever needed, giving of self always and an uplifting, infectious smile! Jerry...a man you could count on!!! And, he loved his NASCAR racing! Perhaps now new meaning can be given to the NASCAR acronym: "Now Assured Security, Comfort And Reward." God's love does not keep us from trials but sees us through them. Much love, Eileen and Dave Card

“ The Pierce Family,
I just found out late last night about Jerry's passing. I don't need to tell you that Jerry and I were great friends. We had many terrific adventures together. In the elementary school years many of them centered around Crystal Lake. When we were in our teens our adventures took us further from home to places like Silver Lake, to visit our buddy Ron. Jerry was a big part of my childhood years, the kind of friend you never forget, no matter how much time passes. It has been several years since I have seen Jerry, but I can see his big smile and hear his hearty laugh. I'm sure Jerry and his dad have shared a few jokes already and are casting their lines into some lazy river full of rainbow trout. Jerry will be greatly missed, but never forgotten. Thanks for sharing Jerry with me for all those years. I will keep you all in my thoughts and prayers.

“ *When I think of Jerry, I think of a man with a kind heart who was always helping his neighbors and friends without ever expecting anything in return.*

Jerry was the servant that Jesus met and told "well done", I have been waiting for you.

*Love,
Jerry & Gloria*

“ *Dear Christy, Heidi, Gary, Tyler, Austin, Ryan & Debbie, Please know that our hearts and prayers are with you during this difficult time. When we think of Jerry we remember how he always wore his Grandpa shirts. Being grandparents ourselves we always thought that was so neat. Jerry was so proud and loved being a grandpa. We had such a wonderful time and felt so special and so welcome when we visited you. I'm just sad I never sent a note so that Jerry would know how we felt about the visit.*

Read John 14:1-4 and know that Jerry is in his mansion that Jesus prepared just for him. we love you guys.
