“ I grew up next to Jerry's parents in Iron Mountain, although he was grown and gone before I was born. We got to know each other on the tennis court during his annual summer trips back to the area. Jerry was one-of-a-kind. Mostly, I will remember him as a great mentor and friend. I was very saddened to hear of his passing.

“ I will miss Jerry very much, He and I were friends since 1959. The day I met him there was a big hullaballo about Jerry having the most letters published in the MSU newspaper. We remained friends after graduation when we both had our first job in the Lansing area. I remember a trip we took to Chicago in 1961 where his sister fixed us up with a couple of nurses. Later he moved to New York and I moved to Los Angeles. I kept in contact with Jerry over the years, he visited us in 1967 and I visited him when my job took me to New York. My most recent visit was last May. I will miss the newspaper articles he used to send, his stories about being a lumber jack and riding the rails. Buzzy Miller

“ I wish express my symphathy to jerrys family, in his passing. I knew J.C. for around seven years on a professional, and personel level. He was a man that I admired and looked up to, mainly for playing by his own rules, and keeping his head high. I will miss him, and yet I'm proud of him.  
may he be an continuing inspiration to all who have known him. my man coyote..(street name)
