Dear Jodi,

What a wonderful photo of your Dad! Just how we remember him...in the woods with Uncle Ed! So dear to my heart!

When I was much younger, during the summer, he would drive Uncle Ed down to Mequon...just to visit...have lunch with us, and then head right back to Iron Mountain. How my mother, Anna treasured these all too short, visits! Deep joys of my heart!

You have my thoughts and prayers each day during this difficult time...May Our Lord draw near with comfort and Peace. Blessings!
