“ I was his grandson. I hadn't seen him in several years due to a family fallout (my mother; his daughter). However, I thought of him often. He was an amazing homemade pasta cook. I remember a time when I was around 6/7 and I visited him and Mary. I was afraid of the dark so I slept sandwiched between he and Mary. He snored and kept me up all night. I called my Dad the next day who drove 5.5 hrs to pick me up. I missed his piped tobacco scent. I missed his love for old cars. I will forever hold unit the 1928 Gold certificate \$20 bill he gave me in the mid 90's. You will be missed. Rest In Peace and I'm sure I will see you around. John Jr

“ Jerry was such a special friend to my parents, Genola and Joe Herman. He was always such a big help with their place on Timm's Lake, and home near Pembine. He always seemed like a member of the family. During my Dad's final days, Jerry was the only person that could get him to laugh. His energy and antics really could raise one's spirits. He will be missed, and always remembered.

“ Jerry never ever failed to make me laugh - sometimes uncontrollably! He loved you, appreciated you and was very proud of you. I wish we could be with you now but know that you're in our hearts. I will miss my Quack Quack buddy. He was a good man. Loads of love and hugs to you and Dan!

So sorry to hear you lost your best friend. He will be greatly missed by everyone who knew him. What a character!! I am so glad you introduced me to him years ago. I was getting ready to call him and wish him a Happy 90th Birthday when I saw the obituary. I was shocked and saddened to know I lost a good friend. God Bless you Mary. Love and Hugs, Lisa Becker

Mary and family. you don't know me as I don't know you. But Jerry was once my brother in law and was always good to me and treated me well. I haven't spoken to Jerry since he called to wish me well when my husband passed away in 2002. It is very hard to loose a loved one. I with my sympathy to you and your family. May God be with you.

*Mary, Dan,  
Our sympathy to you.  
Our families had met and became friends many years ago sharing many conversations, laughs, and just crazy times as well as many words of wisdom Jerry had to offer.*

*Mary,  
You and Jerry were mentors and very good friends to our son. Jereme and Jerry even shared their own little car detail business that helped to instill the work ethics Jereme carries to this day 18 years later. Jereme's 1st car came through that business and was a big deal to us all and that surprise for him was very much appreciated.  
Forever in all of our hearts.
