

Jill Mellon

August 21, 1992 - July 16, 2012

Jill Marie Mellon, AKA "The Beans, Jilly Beans, Jilly Pot Pie, Jill Jobear and Jilly Girl, 19, of Iron Mountain, passed away unexpectedly on Monday, July 16, 2012 at her home.

She was born Aug. 21, 1992, in Iron Mountain, the daughter of Dr. Michael and Lori (Ganz) Mellon. Her birth was on her parents 10th anniversary. Jill graduated from Iron Mountain High School in 2011, and was a member of St. Mary and St. Joseph Catholic Church.

She was a dedicated volunteer with Tammy Tomassucci and the girls at Family Ties, with Steve Cavalieri at his TMI/SMI classroom, and also helped Lorraine Massicotte with bingo at the V.A. Hospital in the nursing home wing. Jill did a job site for Sharon Quick at Woodland Daycare and was Jean Newberry's manager for the IMHS girls varsity volleyball team for four years.

She loved spending time outdoors, biking, tubing, swimming, kayaking, hunting and 4-wheeling at camp. Jill was thrilled when she was chosen for the Buckmasters White Tail Deer Hunt and the U.P. White Tails Boar Hunt. They were one of the highlights of her life.

Jill looked forward every year to the 4-H horseback riding program with her friend, Ross. She enjoyed her favorite foods - grapes, oranges, ice cream,

chocolate, pizza, mozzarella sticks, hot dogs, mac and cheese and spaghetti. She loved playing the Wii, Playstation, watching movies, playing games and cards, going to the show, and playing the "Claw" machine.

Jill learned card making from her friends, Jodi Reed and Donna Pietrantonio, which she really enjoyed. Other favorites were her beads and jewelry, stuffed animals, dolls and her large collection of Barbies. Jill's favorite time of year was Christmas. Most of all, Jill loved spending time doing many of these things with her family and friends.

She is survived by her parents, Dr. Michael and Lori Mellon of Iron Mountain; a brother, Travis Mellon (Cortney Roy) of Plano, Texas; a sister, Brigette Mellon (Tyler Weiss) of Chicago; paternal grandparents, Dr. Robert and Elizabeth Mellon of Iron Mountain; maternal grandmother, Anna Ganz of Iron Mountain; aunts and uncles, Rob (Jean) Mellon, Lisa (Tom) Nelson, Dr. Peter (Cassandra) Mellon, Dr. Monica (Dr. Steven) Terrian, Ernest (Shary) Ganz, Gail (Larry) Ragan, and Kathy Johnson (Randy Piper); cousins, Nicholas, Danielle and Carlyn Mellon, Kristin and Gregory Nelson, Megan and Courtney Mellon, Luke and Abby Terrian, Tanya (Steve) Phillips, Bryan (Crystal) Ganz, Tad Childers, Heather (John) Russell, Sara Demerath, and Lydia (Chris) Bryan, and Jim Johnson; second cousins, Brennan, Allyce, Aubrey, Lilah, Kaitlyn, Camryn, and Kayla, Zach, Killian, Elena; a special great-auntie, Pauline Formolo; favorite neighbor and buddy, Brian Bongji; special friend, Brian Carlson; good friends, Jamie, Lindsey and Kiana along with other relatives and friends. She is further survived by her extended family, the Spigarellis, Zambons, Rahoi/Watts, Lukes, and Jaynes.

Jill was preceded in death by her maternal grandfather, Fiorino Ganz; a special great-uncle, U.J.; great-aunt, Alice Tousignant; great-uncle, Santo Formolo; and cousin, Tony Johnson.

“ Dear Mike, Lori, Brigette, Travis ~

How our hearts go out to you.

Jill was a sweetie with that friendly, “hello,” creative spirit, will to learn, and caring heart. You are a warm and loving family that wrapped yourselves around her every step of the way. That love shined in Jill and will continue to shine ... remembering her is blessing.

With our deepest sympathy,

Bob and Terri Doepker, and family.

“ First, my deepest sympathies again to the Mellon family who deeply loved and cared for precious Jill. And now to give a tribute to Jill, which is very sad for me, but also an absolute honor! I first met Jill as I started teaching her piano over 10 years ago. Without hesitation, Jill was an absolute gift to me. She was always upbeat, fun and feisty and teaching her to play was a blast! One of Jill's amazing gifts was memorizing! Once she learned it, she never forgot it! I imagine her playing Disney songs right now for Jesus and her grandfather. We would laugh during practices sometimes so hard that Jill would get the hiccups! The memories I have will be forever cherished and I thank you for the blessing of teaching, but also being Jill's friend! She was "one in a million" and I will never forget her! May you know how much others loved her too! My prayers are with you all....Nancy and Tracy laFleur

“ Mike, Lori, Brigette, Travis and immediate family,

I am so deeply saddened by the loss of Jilly. Words cannot express how sorry I am for you. You have always been and always will be my 2nd family, and I always thought of Jilly as my little sister. God couldn't have placed Jilly in a better family. You are all such amazing people. Jilly was such a happy, loving, sweet and silly person. I spent basically every weekend from 2nd grade through senior year of high school with your family, and I loved and will cherish every second I got to spend with Jilly. She was loved by EVERYONE. She made an impact in every life she touched and made an everlasting mark on everyone's heart. I am so glad I was able to see and hug Jilly this year at the 4th of July parade.

I love you all SO much! I am and will always be here for you!

“ Dear Mike and Lori,
I was saddened to hear of the sudden passing of Jill. Although I never had the opportunity to meet Jill, the obituary captures her living the full Mellon life-style, filled with continual growth and adventure. I wish you moments of peace during this grief-stricken time of sorrow, and know that you will find comfort through the support of family and friends. “ I can't help but forget how excited she would get when our family would come over to play games at Christmas time every year. She would jump around and scream out answers whether it was her turn or not.

She kept up with me on facebook constantly and would say hi every couple weeks. I am proud of all she accomplished and wish your family the best with this tragedy. All of the Mellon's are wonderful and our family loves you dearly.

“ Words cannot express how saddened our family is with the passing of Jill. She was such a sweet, kind, loving girl who was beautiful both inside and out. She always greeted us with a big smile and hug and she genuinely loved people. Some of my favorite memories of Jill are her love of beads and barbies, spending time with her when Brig and Melissa were younger at all of the basketball games, but my favorite memory of her was at her graduation party. She was just beaming and was on top of the world that day. She made each person at the party feel welcome and appreciated and was such a gracious host! Jill was truly a beautiful spirit who was loved and will be missed by everyone who had the pleasure to know her!

“ Dear Lori and Family, We are so sorry to hear about Jill's passing away so unexpectedly. I can only imagine the pain and sorrow that you are feeling. You know Lori that I do not write this flippantly. The Lord uses parenting to shape us, but he uses our special needs children to mold us and expose us to a degree that, I know I never expected. You, Lori , were quite an inspiration when we moved to the area and had to find our way through the maze of Special Ed. You always saw the needs and potential that Jill had and helped her achieve those goals Though I haven't been a direct part of Jill's life in the last several years, we have found much joy in watching her in her activities through high school. May the Lord continue to comfort you as remember all of God's blessings given to you in your beautiful daughter, Jill

Truly,

“ I would like to extend my sincere sympathy to the family of Jill. I had the opportunity to work with Jill for many of her school years. She leaves me with many fond memories. She often left me with a smile on my face or a good belly laugh. I shared this story with her family, and they requested I tell it on her memory book. This one is a belly laugh, so be prepared! This took place a couple years ago. I was working with her and it was hunting season. Knowing that the Mellon camp has a record of shooting some big bucks, and that Jill herself has had the opportunity to hunt, I was eager to ask her if her dad or brother had gotten a buck. She told me they hadn't but her dad's nephew had shot a little buck. And then she said, "And my dad was really pissed!" It is a general rule at that camp, that they don't shoot bucks less than six points! She told me then that when he saw the buck he said and I quote, "What the F____ did you shoot that for?" That was Jill. If you said it, she repeated it!

“ To the Mellon Family, You have my deepest condolences. I did not know Jill very well, but I remember seeing her so many times over the years. I remember her at one of Brigitte's birthday parties as a young child. She always seemed so happy and upbeat. When I saw her graduation pictures on facebook it made me so happy to see the success that she had found. The pictures of her and Brig that I've seen over the years always made me smile, sisterly love is truly an amazing thing. My thoughts and prayers are with you all during this time. After reading everyone else's comments, I see that my impressions of Jill were correct and that the angels in heaven are lucky to have her with them.

“ Though we never know the reasons for such loss, the lasting memories of such a kind and gentle spirit will forever live on in all of the lives Jill touched. Like a stone, thrown into a stream, the ripples seek out the shore and forever change it--so was Jill's life...a beautiful polished stone, thrown into an amazing, dedicated and loving families life stream, rippling out seeking the shore and forever changing everyone it touched. I pray for all of you, Jill's family and friends, that strength, peace and calm enter and remain in your hearts thru this most difficult time. “Lori, Mike, Travis and Brigette.....You were all Jill's life.....when God placed Jill with your family he knew what he was doing. Jill was blessed to have you as her family just as you were blessed to have her in your lives. It is never easy to lose someone so dear to us, and when they are so young its even harder. But Jill lived a GREAT life and her BIG HEART and SMILE touched alot of people. She will be missed not only by your family, but by a whole community who loved her. If a persons life was measured by the number of people that knew them, then Jill would be much older than her 19 years! Jill will never be gone because you hold forever in your hearts, all the great memories and stories of Jills life. Yes you were Blessed to have Jill in your lives, but Jill was just as Blessed to have had all of you to call her family. You are special people and like I said at the beginning, Jill could not have found a better family. May God help you heal and move forward because thats what Jill would want. Peace and Love to you!!
