“ Angie and Family, I am so sorry to hear about Joan's passing. I worked with, and for her, many years...both when she was a Regional Nurse and a Regional Director of Operations. We had a wonderful working relationship as well as a personal friendship. I have tons of fond memories of our years together. Your mother once said with a smile, "Debbie's mouth engages before her brain!" I still laugh and tell this story...even just last week! I will always cherish my years with Joan. My prayers for support and comfort go out to you at this very difficult time.

Regards,
Debbie Youngs Hilgenberg
