“ *In growing up in our family, Joanne was always a wonderful cousin to have. I was lucky enough to not only have her at family functions but to have her as the secretary at our grade school also. I will never forget her smile with a, "Oh hi Jenny!" I am so sorry to hear of her passing and she will be dearly missed. Robbie and family, know you're in our prayers and we are grieving along with you. Good bye Joanne, I will always love you...until we meet again...job well done faithful servant....go rest now in His arms.*

“ *We are deeply sorry to learn of Joann's passing. When I (Rita) spoke with her after her hospital stay, Joann and I spoke about getting together at her home for a cup of coffee and some doughnuts or cake. I am so saddened that I will never get that chance to visit with her. I will always have a seat at our table in honor of her. Joann shall always be remembered as a loving and Dear Friend.. Joann will always remain in our hearts and prayers... God Bless. Our deepest sympathies to all. You will be in our prayers during this most difficult time*

I was so surprised to learn about Joann's passing. I had seen her in Hallmark just 2 weeks ago and we had a real nice conversation. I'm so happy I got a chance to talk with her.
