“ Aunt Joann, were do I even begin. So many memories together, since I was a tiny little girl. Going up to the cabin ever summer, seeing you at Grandmas house when we would visit her; sending me lovely gifts in the mail for Halloweens, Easters, Thanks Givings, birthdays, and Christmases. I remember the day when you showed us your new house by the lake. Loved that house, and I also loved the fact that you had every single flavor and brand of chips. :) I could not believe it! Even though you couldn't make it to see my dance competitions, I know you'll be up there watching down on me on stage with Grandpa, Nana, and that Big Guy up there that is taking care of you. I love you so much Aunt Joann, and I know that every time that I go on stage I'll be thinking of you and Grandma.? Love you, and your in my prayers Aunt Joann, forever and always.

Love,

“ In the near future, you will always be with us, Aunt JoAnn. I know that because you will always be in my thoughts, and in my heart. I miss you dearly, and everyone else up there with you. I miss you all, say hi too gramps for me! You have always been there for me and my family through thin and thick with your open ears and intelligent replies. You will be forever missed, and never forgotten in my heart.

You are in my prayers, and I love you very much.

“ Hello Aunt JoAnn,
I will miss you very much and you will always be in my prayers. I will miss your amazing food, and thank you for all the delicious fish you made for me, that me and Uncle Sam would catch. Oh and you know that I out fished Uncle Sam the last year we were all there haha

“ My sympathy is extended to the family & friends at this time. It is a most difficult time when we lose someone we love. Our Heavenly Father has assured us we are not alone during this time:"Jehovah is near to those that are broken at heart; And those who are crushed in spirit he saves" - Psalm 34:18. My condolences to you.

“ *If I had five minutes now to talk to you
I would tell you that I thought of you often and fondly through the
years.*

*It's pointless now to wish we had been closer.
Our busy lives are what they are. We all just do our best.*

*We will always be closest in our tiniest deepest genes
That came from my father and your mother.
Brother and sister they, cousins you and I.*

*You are part of the ancestral family now.
You know the secrets of the universe.*

*May you rest in peace, JoAnn. I will never forget you.
Love you, Rosanne*
