“ Dear Donna, Jack, Cheryl, and the entire Cootware Family, I was so shocked and saddened when my family told me of John's death. It still doesn't seem possible, and my heart aches for all. I have so many, many great memories of John through 4-H, the Fair, and all our rides back and forth to Michigan State. I remember vividly how mad some of the other kids that rode to and from MSU with us, when I would drop John off at home in Ralph before dropping them off in Norway! We had a lot of fun, and John is one person I will fondly remember for many reasons - his smile, his sense of humor, his curly hair, and his love of family and farming. You are all in my thoughts and prayers. Hugs to all, Donna

“ Dear Donna, Jack, Cheryl and entire Cootware family...

Our community has lost one of it's finest. I was saddened to hear the news of Johnny passing away. He was one of the best. Always GIVING...always DOING and always happy to see you. I can still picture him as a friend with my older brother Buddy and their blue Courdory FFA (Future Farmers of America) jackets being sooo proud and wearing them to school ...well..he lived his dream and he lived it well.

I could go a year with out seeing Johnny and he was always happy to see me (or anyone) and catch up on their lives and tell about his. I can picture him serving up Brats at the Ralph picnic just beaming at the turn out of people.

I am sorry for your loss! He truly was a kind soul. He was the best of the best. God's blessings to you all.

“ Everyone should have a brother as wonderful as mine was. Johnny was so kind, caring, loving and patient. He wasn't afraid to try anything. I was out of shape and needed to drop a few pounds. He not only encouraged me but he joined right in with no complaints. Richard Simmons was very popular at the time and yes I did it, I bought the tape. Every day I would look forward to see what hilarious get up Johnny would show up in. His hair, as you know, had the tendency to look much like Richard Simmons. He would give it some extra fluff and often made himself a sweat band. We would exercise together while the house shook. It was hard to get through because we'd end up laying on the floor laughing our heads off. Johnny pulled so many pranks throughout the years. I finally trained my brain to not believe his silly claims but every now and then he would get me good. I will miss that so much. You may find this hard to believe (ha ha) but I have a stubborn streak. I will eventually get to the point where I'll do the right thing but Johnny was my coach. He was wise, honest (minus the teasing) and loved you enough to tell the hard truth. He was great at keeping you accountable so if you were struggling with something he was the one to tell. He made me a better person and I know he did this for everyone lucky enough to be a part of his life. Neil and I were blessed to have a small group Bible study in our home. Johnny took that so very serious and it was great to grow in Christ together. He loved God's Word and was faithfully studying it at home. He applied what he read to his life. Johnny would have been a good person without Christ, but with Christ he was an example of Christ here on earth. How blessed we were to have him and I long to see him again. What comfort to know we will be together in eternity. What joy to close my eyes and picture the great reunion taking place in heaven with those who passed before him. It especially delights my heart to picture Johnny with April.

“ *Cootware Family,
We are so sorry for your loss, John was a wonderful person who will be greatly missed. Everytime we saw him he had that sweet smile and lately humor about our son and his granddaughter getting together when they grew up. He was so proud of his family and to be a grandfather.*

“ To the family of John, my deepest sympathies. John and I were elementary school friends. My fondest memories when I was young were the times I stayed overnight at the farm in Ralph in the winter and we would have to get up in the morning before school and go and feed the animals in the dark. John was such a calm and caring person, I know that he cared about me. Even though our lives took us on different journey's, our friendship meant alot to me. God Bless all of you.

“ Jack, Donna, Cheryl & Family,

I'm so sorry for your loss. Johnny was one of the most genuine, good souls I've ever know. The picture you've placed of him here is perhaps the greatest tribute of all. When I think of him, his smile is what I remember most. My brother Carl & I have such great memories of Johnny running us up & down the farm until the sun was gone. It seemed he always had endless time for the children in his life.

Our thoughts & prayers are with you. I'm confident that your family bond & strength of your faith will guide you as you face this new chapter together.

Be well & God Bless.

“ Dear Jack, Donna and Family,

My brother just called with the sad news of Johnny's "passing". Words can't begin to express how sorry I am. Wish I could be there to comfort you. He was a wonderful son to you both and Roland and I always enjoyed talking with him. He was indeed an "ANGEL" on earth. Much love.

“ No words can express the sympathy I feel for the Cootware family during this time of loss. John touched so many lives and was able to bring his gift of friendship that warmed the hearts of every person that was lucky enough to know him. May those mourning the loss find peace knowing that John is now smiling over us from his home in heaven. God Bless.

“ Dear Family and Friends of John,

Please know of my prayers and sympathy as you mourn John's passing. I had heard from my father, Paul, on December 23rd that John had suffered an accident. It was shock this morning when my dad informed me of his passing. John was such and honest, hard-working and likable man of much faith. Soon I will offer a Mass for John and for your intentions. God's peace,

“ *I would like to express my condolences to John's entire family. John was a very kind, sincere, hardworking person whom I very much enjoyed getting to know and work with. I will truly miss seeing and working with him, but will always remember him for the very positive impression he had on me. “ John was such a special guy. He will be sadly missed by friends, family and everyone he touched. He was extremely kind to everyone, always speaking of the Lord and what the Lord wanted him to do. He is now with His Lord in the palm of His hands. May the family have peace and sympathy through these tough times. Cheryl you have my very deepest sympathy and may the Lord see you through. I loved John as a brother and he was such a "great" guy. I know that you will miss him so much. Words can not express my grief for you. You two were inseparable and I looked up to you two because of that. If you need someone to talk to I am here for you. 704-798-6568
