“ Uncle John was a great man. We loved him dearly. He always had that smile on his face and encouraging words for everyone in my family. He looked so much like my dad,(his brother) Bill Fleming, that it was always so good to see him and I have such good memories of the past.

*I remember all of our family reunions and all of the fun that we had. I wish that we could have been there for the funeral but mom,(Joan Fleming) just moved into assisted living and I was afraid that it was too much for her.*

*May Uncle John rest in peace and God bless all of you.*
