“*Fran, Judy, John and Families,
So very saddened to read of the loss of John Sr .What a Community asset he has been over the years! His gentle, kind and loving manner was evident in the faith he lived. My heart grieves with you and wish I could hug each of you. John was such a strong and loved leader for Golden K. He has been missed the past couple years. Jesus opened the door wide as he welcomed John into His presence and his heavenly home. May Gods love for each of you give comfort as he wraps you in His loving arms. “*Sending sympathy and peaceful thoughts to John and Dianna. I recall being a dinner guest at their house through a loose connection known as “friend of a friend.” Within minutes upon arrival, I was warmly welcomed, treated as an old friend and the gap of unfamiliarity evaporated. As I read the obituary, I imagined this expansive kindness had been modeled by Mr Jamar who had built an impressive reputation by serving his community, volunteering, teaching and gathering friends all along the way. Reading buddy was my favorite example!*

“ While we are sad to learn of John's passing, we rejoice for him that he now rests eternally in the arms of his maker. John was such a friendly, outgoing, giving gentleman in the finest sense of the word. While he achieved well-deserved recognition in his profession and in the community throughout the years, he was always a humble man, never losing the common touch and ability to relate to everyone. This indicates someone with true character, and John had that in spades.

He and Fran made a wonderful couple, complementing each other in every way. We enjoyed sharing time with them in choir and also at church services.

Please accept our heartfelt sympathy and know you are and will continue to be in our prayers.
